The lesser known miracle molecule in modern medicine

Special IAOS EBOO perfusion machine capable of 0 to 80 ml per minute of blood perfusion, with precise 0.5 mm controls.

EBOO is a wonderful blood and body oxidation therapy first proposed by V. Bocci of Italy and later used by many therapists world over. This therapy is claimed to reverse Diabetes, Hypertension, AVN hip Joints, poly articular Rheumatoid Arthritis, Fatty Liver, Chemotherapy induced toxicity, and also is the most powerful anti bacterial, anti parasitic, anti fungal, and anti viral. Repeated EBOO sessions have claimed cure even in HIV AIDS! Many normal people use this frequently for age regression, and general well being.

EBOO provides beneficial effects of over 20 MAHT in a single session, but has not gained popularity because a perfect EBOO machine and system had not been developed before. IAOS is proud to present the worlds first **REAL EBOO GENERATION 5 SYSTEM. The Prakash, Prasham, Arul system, PPA system.** *This system does not use renal dialysis filters or dialysis perfusion systems.* This system uses 100% ozone compatible assembly, Borosilicate flint free glass bottles, stainless steel ozone diffusers, ozone compatible pipings and tubings, and is an extremely uncomplicated system, easy to master and use.

The disposable diffusion system is affordably priced and comes sterile. The set contains one sterile borosilicate flask with silicone stoppers, and two sterile infusion tube assemblies, priced affordably at Rs 5000 per set.
